

**ADVANCED SCHOOL IN
DRUG RESEARCH AND DEVELOPMENT**

“Enzyme Inhibition at the Boundary between Chemical Biology and Drug Discovery”

Seminars – II cycle

*Dept. of Food & Drug, “Plesso Aule delle Scienze”, University of Parma
E-Room (Informatics lab)*

Tuesday, October 10th (13:30-18:30)

Prof. Alessio Lodola, Dr. Laura Scalvini

Department of Food and Drug, University of Parma

“Introduction to chemometrics”

Tuesday, October 17th (13:30-18:30)

Prof. Alessio Lodola, Dr. Laura Scalvini

Department of Food and Drug, University of Parma

“Basis of cheminformatics”

Tuesday, October 24th (13:30-18:30)

Prof. Alessio Lodola, Dr. Laura Scalvini

Department of Food and Drug, University of Parma

“From classification models to regression analysis”

Tuesday, October 31st (13:30-18:30)

Prof. Alessio Lodola, Dr. Laura Scalvini

Department of Food and Drug, University of Parma

“Multivariate analysis applied to drug design”
